

Sector: Support Services – Small Works

Case Study: Farnborough – ACH Care Homes

The Challenge

R&S completed the 1.64m refurbishment of this 22 bedroom Assisted Living residential care home and were pleased to be asked to return to complete further external works that would increase security and safety for residents and staff.

R&S utilize a strict Occupied Works Policy, prescreening their teams and providing full profiles to ensure the smooth running of any project on a site where vulnerable adults are present.

The Result

Keen to maintain the aesthetics of this impressive building and grounds for the benefit of its residents R&S installed hardwood-effect aluminium, automated gates and a decorative fence. A secure entry system was installed as well as a dedicated pedestrian access and path.

TYPE: Occupied Unit Works

CATEGORY: Safety and Security
